ATANCE

ATANCE Cuveé N°1 2022 || 90 points

“The white blend 2022 Atance Cuveé N°1 was produced with 75% Merseguera and 25% Malvasía from dry-farmed, organic vines in the village of Venta del Moro. It’s Mediterranean and juicy, with 13% alcohol and a fresh and balanced palate with a similar profile to the white La Traca, less exotic, more serious, with balsamic and floral notes. It fermented with indigenous yeasts and was kept with fine lees until bottling in May 2023. It has a pleasant bitter twist in the finish.”

ATANCE Bobal 2021 || 92 points

“The 2021 Atance Tinto is pure Bobal from old vines at 800 meters above sea level in the village of Venta del Moro. It fermented with indigenous yeasts with a short maceration and matured in 8,000-liter oak vats for three months. It follows the line of the La Traca with some more concentration and depth. It’s long and fresh, without the need of high ripeness or lots of oak, direct and honest. This is what Bobal can be...”
