2022 BLANCO CON MADRE
60% Malvar & 40% Airen

“The very cloudy white 2022 Los Conejos Malditos Blanco con Madre feels very irreverent and funky. It’s characterful, with marked personality, 12% alcohol and good freshness. It’s herbal, spicy and earthy; the palate is soft, with pungent flavors and good length and a yeasty touch in the finish. Some might get angry, as it’s not a wine for everyone, but it’s fun.”
