## BODEGAS RODA

---

### Sela 2014 || 90 points

“This wine moves into the cassis and blue plum zone, with baking spices and a slightly tarry edge. The palate falls ripe and a little dry, but overall it is attractive and delicious. Drink now.”

2013 in stock - 2014 release early 2018

### Roda Reserva 2012 || 95 points

“Very fresh, deep black fruit and licorice character. Rich and complex, but also very lively for its age. The refined tannins are beautifully integrated and drive the long, complex finish. Delicious now.”

### Roda I Reserva 2010 || 95 points

“Time has mellowed this ripe and rich wine leaving it silky in spite of the intensity and depth. Tannins are now polished and the finish is long and fine. Drink now.”

2009 in stock - 2010 release early 2018

### Cirson 2015 || 95 points

“Impressive depth and density here. Ripe red plum and cherry fruits are matched against spicy, mocha-scented oak. The palate has commanding, concentrated appeal, silky tannins and a lot of potential. Best from 2020.”
